## ***2011 Wedding Policies***

**Contacts and Arrangements** – A no-obligation consultation can be arranged by calling (412) 754-0551. The initial appointment generally takes about one hour. We will create a general outline of your wedding day using your ideas and concepts, combined with our expertise of event planning. At that time, we can discuss menu design, decorating, services and cost. After our consultation meeting, you will be presented with a twenty-five dollar complementary gift certificate to sample our food at our restaurant. Arrangements can also be made for you to visit one of our banquet facilities to view the set-up and attend a tasting. A second appointment can then be arranged to choose a menu.

**Deposits and Payments** - When you have made your decision to utilize our services, a non-refundable deposit of \$200.00 is required to secure the wedding date. Payments can be made by mail or in person at our catering office. Advance payments can be made at any time. With each payment you will receive a statement showing all payments made. Final payment is due three days prior to the event. A signed contract can be provided for any event.

**Cancellation Policy** - All wedding events cancelled at least one month prior to the wedding day will receive a full refund of all payments made except for the initial \$200.00 deposit.

**Guest Counts** - Your final guest count is due at your final meeting two weeks prior to the event. The guest count can then be increased (but cannot be decreased) until five days prior to the event. Children under the age of five are not charged. The client is responsible for meals for all vendors associated with the event (dj's, photographers, band members) and Woody's will supply meals to anyone associated with the banquet facility (bartenders, hall managers and staff). At the conclusion of your event, any remaining food will be packaged in foil and disposable containers by our staff for you and your family to take home.

**Services Provided** - Depending on the package or menu that you have chosen, a variety of services and decorating will be provided. Please carefully read each package and decide which would best suit your needs and budget. Services such as cutting and packaging your wedding cake, traying of your cookies, and corking and serving your champagne are included with all wedding packages. Upgrades and add-ons can be purchased with any of our packages from our ala carte menu.

**Banquet Halls and Vendors** - Woody's has developed relationships with many banquet halls and vendors throughout the area. Although we can give recommendations and information, all direct contacts and arrangements will be done by the client. Please make sure all details are confirmed and finalized.

**Final Arrangements** - A meeting to discuss final arrangements will be scheduled approximately two weeks prior to your event. This will involve confirming your menu and package, your Maitre d' introduction, seating and table arrangements, event timing formats, and final detail forms. We will also do color analysis, schedule set-up times and confirm your guest counts. At all scheduled meetings you will receive copies of all forms concerning your event.

## Woody's Catering and Staff

On Saturday November 20, you catered our wedding reception at the Harrison Room. On November 21, as we reflected on the day, we realized that we couldn't have done it without you guys! We were amazed, as well as our guest, at what an incredible job you all did. Every staff member there was right on top of everything. Our wedding day turned out to be the most perfect day either of us has experienced, and we wanted to thank you for being a large part of that. We will highly recommend you to anyone who is looking for the same experience!

Thank you again,

Lori and Joe Mussori

Greg and Dan,

Is there a higher rating than five stars? If there is you deserve it! I want to let you know what a wonderful job everyone did. When I arrived at the reception I knew that I could relax because Dan was there to see to everything was taken care of. I had the best time of my life! Everyone has told us what a wonderful reception it was and how smoothly everything went. The compliments on the food just haven't stopped, in fact our guest have complimented everything. You can be proud of the work that you and your staff do! Many thanks for everything. you made me feel like I was visiting family, not discussing business.

Debbie and Ed Moore

P.S. Congratulations on being awarded the #1 caterer in Pittsburgh. I hope I can still get you when I need you!

Dear Greg, Matt and the Woody's Staff,

Thank you so much for the great job you did at my wedding. Everything was perfect and was performed with such professionalism. I received tons of compliments on the food and the helpfulness of the staff. Matt was exemplary as the Maitre d' He was always there and knew what was going on at all times. Thank you for making our special day as stress free as possible. Henry and I definitely appreciate it and will not hesitate to refer Woody's to others.

Dr. Danielle L. Marra

*Greg, Chris and Dan,*

*Once again Woody's outdid itself. Greg, The food was outstanding! Dan, great job on setting up and decorating. Chris, thank you for being so personal and attentive. To the staff, they did an outstanding job and had a very positive attitude. I have used you for both of my daughters weddings and after you use Woody's one time there is no need to contact any other caterer.*

*"My new motto" Woody's Catering - The Caterers Caterer*

*Jimmy Castanzo*

Dear Greg, Mike and Staff:

First and foremost we want to say **THANK YOU** to Woody's Catering for helping to make our special day transform into a dream come true! The food was absolutely phenomenal and our guest are still talking about how good it was! It was so good that, that a member of John's family, who is a caterer also, complimented that it was the best food that they ever had food at a wedding. It was so good that John and I ate four times throughout the evening! We want to thank Mike for all his help and hard work throughout the reception. Mike coordinated very well with our DJ, who even commented that our reception was one of the smoothly run events that he had ever seen, all due to the great coordination with he and Mike. The Maitre'D service is one that no couple should go without on their wedding day! We want to thank you for making Colton Hall look absolutely beautiful! The decorations were wonderful and the tables were put together perfectly! Our photographer even said that he had never seen a cookie table look so good as the one displayed at our wedding in all his years of doing wedding photography.

From the very first time that we sat down with Greg, John and I both knew that Woody's was going to be our caterer. We look back and wonder why we even tried to look any further! You run a very well organized and efficient business, and that is something that you should be proud of! Your food is excellent and you have the service to match it! You really made a stressed out bride feel very relaxed on her special day! If you have to show this letter to every couple when they come to see you then by all means, do so. I promise them that they will not be disappointed in any way! You truly are the best caterer around and we thank you so much for helping to make our wedding day the best day of our lives! Thank you again!

John & Angela Marasti
